

## TV MANUAL

### (Room 2 and 4)

Dear guest,

Our TVs work with streaming services such as Netflix, Disney Channel, Spotify, VRT max, VTM Go, ...

Below you'll find the manual:

- Turn on the device using the power button on the remote control.
- It may take a moment to start up.
- Press the home button and navigate left until you see the “Apps” tab. Navigate to the app you want to open and click on it. For most apps, I'm already logged in, so you can start watching TV right away. With *Rakuten TV*, *VTM Go*, and *VRT Max*, you can watch live TV.

Don't hesitate to contact us if you need help!

We wish you a pleasant stay!

Warm regards,

Michael and Eline
